TESTIMONIAL – CRADLE COAST SPORTS AND EVENTS

The *Twilight on the Duck* organising committee is pleased to endorse Michael and Cradle Coast Sports and Events. *Twilight on the Duck* is the signature festival of Circular Head, held annually on Australia Day on the banks of the iconic Duck River in Smithton. The festival offers low cost family entertainment, live music, great food and a spectacular twilight show.

The organising committee has representation from business, local government, sporting clubs, the arts, youth, the local indigenous community, and the service clubs. In 2013 we engaged the services of Cradle Coast Sports and Events in order to assist committee with the work load of organising such a popular (and growing) community event.

Michael was able to bring fresh insight and an impartial eye to the event and provided practical suggestions for improvement almost instantly. Michael's background in volunteering enabled him to 'gel' easily with the committee and his approachability and understanding of small communities proved invaluable in securing some substantial sponsorship commitments from the local business community.

We are more than happy to recommend Cradle Coast Sports and Events as a partner organisation for community events.
